Fly high fly fast, fans, for TV's game-show goddess of the contagious smile already may be leaving you in her hot exhaust. Letter-turning by day, Learjet owner by play, surprising Ms. White (Vanna to you who have solved the puzzle) is no mere set dresser in sequins and heels. She is an aviation-loving woman whose thrusters are burning to *fly*. Buy fast, fans, before she's off into the wild blue yonder and you're left to your jackpot round. . . without her.
