Miami's South Beach tantalizes...

It might beckon you and dare you to indulge in spectacular food and wine then stay out dancing into the wee hours and beyond.

Or perhaps you'll be drawn to spend the night sleeping on Frette sheets then awaken early to enjoy a morning swim as you watch the sun rise dramatically over the Atlantic.

Whatever it is that moves you, chances are you will find it here in this privileged paradise with a multi-cultural flavor and tangible energy that thrills and captivates.

Warm weather. Beautiful people. Magnificent white sand beaches. Sumptuous Spas. Stunning Art Deco architecture. World-class cuisine. Luxurious hotels. Outstanding shopping. Non-stop nightlife. The best mojitos outside of Cuba. What's not to like?

You might even become so enamored of South Beach that you may never want to leave.

RITZ-CARLTON INNOVATIVE ELEGANCE

If you are seeking distinctive South Beach accommodations with the highest standard of service, posh pampering, and culinary delights, then look no further than **The Ritz-Carlton, South Beach.**

The handsome oceanfront hotel is housed in the complete restoration of the Morris Lapidus designed DiLido Hotel, one of the magnificent gems of Miami's mid-century modern architecture. New custom designed elements were fashioned to complement the stunning details of the original interior, creating a look which is sleek, chic and modern while retaining the integrity of the period's elegance. An impressive multi-million dollar art collection with works by more than a dozen artists is displayed throughout the property. You must see this new and exciting look for the Ritz-Carlton.

The resort offers several dining options, including the casual beach level **DiLido Beach Club**, with direct ocean views, and the not-to-be-missed

David Bouley Evolution, the internationally acclaimed and world famous chef's first restaurant outside of Manhattan. The deliciously innovative cuisine features unique ingredients from around the world and elevates Miami dining to a new level of international culinary prominence.

Also of note is The **Ritz-Carlton Spa, South Beach**, the largest and only four-star spa on South Beach. Exclusive Prada and La Maison de Beaute Carita beauty treatments are performed in the tranquil luxury of the spa's sumptuous treatment rooms. Indulge in the exceptional Ashiatu Massage, Carita Le Renovateur Body Polish, or Raindrop Technique cleansing therapy, and you'll emerge relaxed, radiant and rejuvenated.

Extend your pleasure poolside and lounge on a lavish ocean view VIP day bed or plush chaise lounge. Delight as the world's only **Tanning Butler**, a favorite of the glitterati, spoils you with service and convenience as he offers the application of complimentary tanning

products to the hard-to-reach back and shoulder areas. You'll arrive home with a golden tan instead of the discomfort of sunburned skin.

For an extra level of discerning comfort, consider reserving a guest room on the exclusive **Club Level**, the only VIP level of any hotel in South Beach, where you will have access to the Club lounge offering stunning ocean views, five complimentary food and beverage presentations daily, and a dedicated concierge staff to assist you with any request.

As you return to the tranquil refinement of The Ritz-Carlton, South Beach, exhausted after a long day and night of delving into the myriad offerings of Ocean Drive and Lincoln Road, you'll gladly settle in for a blissful night's sleep, more than satisfied that you chose this enchanting venue for your South Beach stay.

Prepare for a night of decadence and passion guaranteed to make her swoon. Sip a signature cocktail and sample chef Sandy Birdsong's "aphrodisiac" menu. Chef Birdsong, of Food Network's Top Chef fame, uses only the finest ingredients (organic and local when available) to create innovative dishes with bold flavors and international accents (we loved every scrumptious morsel we tried!). Later in the night (Mondays are best), the restaurant turns into a sultry nightclub complete with live drummers, table-top dancers and an oh-so-sexy ambience. A night spent dining and dancing at Tantra is almost sure to get you kissed (if not, you might want to consider switching colognes or ditching the Hawaiian shirts).
